120 EAST BALTIMORE STREET  
BALTIMORE, MARYLAND 21202-6700**

FOR RETIREMENT  
USE ONLY

FORM 13-23 (REV. 7/18)

**APPLICATION FOR SERVICE OR DISABILITY RETIREMENT**

**IMPORTANT:** If you are applying for disability, this form must be completed and filed within 120 days of notification of Board approval for disability retirement. COMAR 17.04.03.16E states, if a State employee is approved for disability retirement by the Maryland State Retirement Agency, unless the employee resigns or is removed earlier, the employee shall be considered resigned from State service as of the 120<sup>th</sup> day after the approval.

**INSTRUCTIONS FOR COMPLETION OF APPLICATION**

**IMPORTANT:** Read the following instructions and information carefully before filling out this form.

1. In addition to this form, you should complete Forms 85 (Direct Deposit - Electronic Funds Transfer Sign-Up) and 766 (Federal and Maryland State Tax Withholding Request).
2. If you have chosen payment Option 2, 3, 5 or 6, you must verify your beneficiary's date of birth by attaching a copy of his or her birth certificate, valid driver's license or other proof of birth. You can name only one beneficiary under these options. For information on other acceptable proofs of birth date, call a retirement benefits specialist at the number shown above.
3. If you are electing Option 2 or 5, you cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is your spouse or disabled child. If you elect Option 2 or Option 5 and designate your disabled child, you must submit a completed Form 143 with this application.
4. If you wish to purchase previous service or apply for military service for which you are eligible, ask your Retirement Coordinator for the proper form(s) and submit it with this application. Additional credit cannot be claimed or purchased after your retirement.
5. If you are choosing the Basic Allowance, the Option 1 Allowance, or the Option 4 Allowance and you wish to name more than one beneficiary, you should not fill out the "Designation of Beneficiary" section on page 5. Instead, fill out and attach *Designation of Beneficiary* (Form 4).
6. If you are eligible to participate in the State Employees Health Insurance Program, only Option 2, 3, 5 or 6 continue health program coverage for your eligible surviving dependents after your death. Contact your employing agency for details.
7. You may change your retirement allowance selection only by filing a change with the Maryland State Retirement Agency before your first payment normally becomes due. In most cases, the first payment is due 30 days after the effective date of your retirement. For example, if your effective retirement date is July 1 and you elected Option 5, you have until July 30 to change your option selection with the State Retirement Agency. You may not change your option selection after monthly benefit payments have commenced.
8. If you die before the effective date of your retirement, your beneficiary cannot receive a retirement allowance even if you have completed this form. If you are still in active service at the time of your death, your beneficiary is only eligible for the active service death benefit.
9. You may change your beneficiary at any time. Depending on the option you have chosen, however, your retirement allowance may have to be recalculated to reflect the change. Your benefit amount could be reduced as a result of the change. For more information, call a retirement benefits specialist.
10. You must retire within 30 days of separating from employment with a participating employer to receive additional creditable service for your unused sick leave. Unused sick leave is sick leave that was available to an employee as sick leave during employment and was not used before retirement. Any converted leave that was not sick leave during employment may not be reported.
11. Generally speaking, a member may not receive more than one type of retirement benefit.
12. If you have voluntary contributions in your account and have elected to withdraw them in a lump sum, you must attach completed Form 742 (Application for Withdrawal of Voluntary Funds), Form 193 (Trustee-to-Trustee Distribution Form) if applicable and Form 746 (Acknowledgement of Receipt of Safe Harbor Notice and Affirmative Election) to this application. These forms may be obtained by calling a retirement benefits specialist at the number shown below.

**NEED HELP:** If you need help to complete this form, or need information on your retirement benefits or retirement process, call a retirement benefits specialist at 410-625-5555 or 1-800-492-5909.

## Reemployment After Retirement

**VIDEO:** For an overview of this information, go to [sra.maryland.gov](http://sra.maryland.gov), select YouTube or Vimeo and watch "Reemployment After Retirement."

### **FOR RETIREES OF THE TEACHERS' RETIREMENT/PENSION, EMPLOYEES' RETIREMENT/PENSION, CORRECTIONAL OFFICERS' RETIREMENT, OR LOCAL FIRE & POLICE PENSION SYSTEMS**

Keep a copy of this information on file as a handy reference. You should also keep your Notice of Retirement Allowance that the State Retirement Agency sends to you as a new retiree. The Notice of Retirement Allowance lists the amount of your monthly retirement allowance, your designated beneficiary(ies) and your earnings limitation. Refer to your Notice of Retirement Allowance to identify the type of retirement you are receiving (service, ordinary disability or accidental disability) and the amount of your earnings limit. Then, apply the reemployment rules printed below to determine if an earnings limit applies for you. Once retired, you cannot enroll in another Maryland State Retirement and Pension System (SRPS) plan or the Optional Retirement Program (ORP).

Under no circumstances should your decision to retire be conditioned upon an offer of reemployment, and in fact, no offers of reemployment should be discussed by you and your employer prior to your retirement. However, if after your retirement you consider reemployment with an employer that participates in the SRPS you need to be aware of two important issues: Internal Revenue Service (IRS) guidelines regarding reemployment and Maryland retirement law regarding reemployment.

### **INTERNAL REVENUE SERVICE GUIDELINES REGARDING REEMPLOYMENT**

There can be significant consequences to you and the SRPS if you retire before the normal retirement age of your plan and/or before age 59 1/2, and are reemployed with the same employer without a bona fide separation of service. Please note that all units of Maryland state government, including the University System of Maryland, are considered one employer.

The IRS can impose a significant tax penalty on your income if you are under the age of 59 1/2, retire and begin receiving your monthly retirement benefits, and are reemployed by the same employer from whom you retired. In order to avoid this penalty there must be a bona fide separation from service between you and your former employer.

If you retire before your normal retirement age, there are also serious IRS consequences to the SRPS if a bona fide separation does not take place following retirement and prior to reemployment with the same employer.

While the IRS has not specifically defined what constitutes a bona fide separation from service, it is clear that the greater the difference between your last job before retirement and the job being performed upon your reemployment, and the longer the break between the date of your retirement and the date of your reemployment, the more likely it is that there has been a bona fide separation of service. If you are reemployed to perform the same job, even if there is a reduction in your work schedule, this would not likely qualify as a bona fide separation of service unless there is a lengthy break in employment. Even arrangements where you are rehired as an "independent contractor" may not meet the IRS' standard.

### **MARYLAND RETIREMENT LAW REGARDING REEMPLOYMENT**

Maryland law requires that there must be a minimum of **45 DAYS** between your retirement date and the date you are rehired by any employer that is a participating employer in the SRPS. This rule applies even if you retired from an employer that withdrew from the SRPS. All units of Maryland State government, including the University System of Maryland, are considered to be *one employer* under these reemployment rules.

Additionally, employment after retirement, under certain conditions, may cause your retirement allowance to be reduced.

### **SERVICE RETIREMENT**

**(For disability retirement rules, see following page.)**

**Applicable to all systems:** If you accept employment with a participating employer, that is an employer who offers State Retirement Benefits to their employees (a list of these employers can be found on page three), you must notify the Board of Trustees in writing of your intent to accept reemployment and the amount of your anticipated compensation. If you accept employment with the *same employer* from which you retired, you are subject to an earnings limit. All units of Maryland State government, including the University System of Maryland, are considered to be *one employer* under these reemployment rules. If you are subject to an earnings limit, your allowance will be reduced only if your *reemployment earnings* exceed the earnings limitation printed on your Notice of Retirement Allowance.

Reemployment earnings are the annual reemployment compensation reported to the IRS that you received during a calendar year. Your benefit is reduced one dollar for every dollar you earn in excess of your limit, up to a maximum of the full retirement allowance. If you retired as an elected or appointed official, contact the State Retirement Agency to learn how the reemployment provisions apply to you.

**Applicable only to Employees'/Teachers' Systems:** Additionally, if you accept an early retirement *and* have been retired fewer than 12 months, you are subject to an earnings limit if you return to work for *any* participating employer during the first 12 months of retirement.

### **SERVICE RETIREMENT: EXCEPTIONS**

**Applicable to all systems:** Earnings limits do not apply if your average final compensation used in your retirement calculation is less than \$25,000 and you are reemployed on a permanent, temporary or contractual basis. Earnings limits do not apply if you have been retired more than five years. With the exception of a January 1<sup>st</sup> retirement date, the five year period begins on January 1<sup>st</sup> of the year following the year of retirement.

**Applicable only to Teachers' Systems:** Earnings limits do not apply if you are a teacher who meets all of the following criteria:

- Is or has been certified to teach in the state,
- Has verification of satisfactory or better performance in last assignment prior to retirement,
- Has been appointed in accordance with §4-103 of the Education Article, and
- Retired with normal service retirement, or retired with an early service retirement and has been retired at least 12 months

**AND**

The superintendent may also grant a special limited exception to the earnings limit if the retiree is employed at any school to teach in an area of critical shortage, a special education class with special needs, a class for students with limited English proficiency, or provide education services.

Earnings limits do not apply if you are employed: **1)** as a principal within 5 years of retirement or **2)** as a principal not more than 10 years before retirement and were employed in a position supervising principals in the retiree's last assignment prior to retirement **AND** you are rehired as a principal at a public school outlined above.

Note: Teachers and principals must receive satisfactory or better performance evaluations each year to continue with the earnings limitation exception.

If you retired directly from employment as a faculty member with a 10-month salary at the University System of Maryland, Morgan State University, St. Mary's College or a Title 16 community college and are reemployed by the same employer, the following types of compensation will not be subject to an earnings limit: bonuses, overtime, summer school or adult education salaries, temporary payments for special research, honorariums or vehicle stipends.

**Applicable to Employees' Systems (rehired health care practitioners):** Retirees of the Employees' Retirement and Employees' Pension Systems who are reemployed on a contractual basis as a health care practitioner by the Department of Health and Mental Hygiene in a state residential center, chronic disease center, a state facility or a local health department are exempt from the earnings limitation (applies only to normal service retirement or early service retirement once the retiree has been retired for 12 months.)

**Applicable to Employees' Systems (rehired as parole and probation employees):** Retirees of the Employees' Retirement and Employees' Pension Systems who are reemployed on a contractual basis as parole and probation employees in positions with the Division of Parole and Probation in the Department of Public Safety and Correctional Services are exempt from an earnings limit for not more than 4 years.

**Applicable to Teachers' Systems and Employees' Systems:** Retirees of the Teachers' Retirement System, Employees' Retirement System, Teachers' Pension System, and Employees' Pension System who are reemployed by the same employer from which they retired are not subject to a reemployment earnings limitation if the current employer is a unit of Maryland state government and compensation does not include any state funds.

## DISABILITY RETIREMENT

**Suspension of Disability Retirement:** An Ordinary or Accidental Disability allowance shall be temporarily suspended during a period of re-employment if a retiree is reemployed by any participating employer at an annual compensation that is at least equal to the retiree's average final compensation at retirement. If the disability retiree is eligible to receive a normal service retirement or began receiving a disability retirement allowance before July 1, 1998, no suspension of benefits is applied. There is no additional benefit accrued while reemployed by a participating employer.

If suspended, the retiree's allowance is reinstated on the first day of the month following the month in which the retiree ceased employment with the participating employer. Also, the retiree's allowance at time of reinstatement is adjusted to reflect the accumulated cost of living adjustments during the period of suspension.

**Earnings limitation for Ordinary Disability Retirees Only:** If you have not reached normal retirement age and you accept employment with a participating employer and your current earnings from the employment exceeds your earnings limitation, then your benefit is reduced. The reduction is \$1.00 for every \$2.00 over the limit, if you have been retired less than 10 years. If you have been retired 10 years or longer, the reduction will be \$1.00 for every \$5.00 over the limit. If your pension is temporarily suspended as provided above, this earnings limitation does not apply during the period of suspension.

**There is no earnings limit for an Ordinary Disability Retiree who is reemployed with a non-participating employer.**

**The earnings limit does not apply for Accidental Disability Retirees.**

**Note:** An additional exception to the suspension of benefits and the earnings limitation applies to law enforcement officers formerly employed by an employer that participated in the Law Enforcement Officers' Pension System. These former officers are exempt if reemployed by a participating employer in any position other than a probationary status law enforcement officer, a law enforcement officer or chief, as defined in §3-101 of the Public Safety Article.

If you have any questions, call a retirement benefits specialist at 410-625-5555 or toll free 1-800-492-5909 to understand how the reemployment provisions apply to you. We will make every effort to assist you in understanding your options, but it is your responsibility to advise us of your reemployment.

# RETIREMENT ALLOWANCE OPTIONS

YOU MAY CHOOSE ONLY ONE OF THE FOLLOWING OPTIONS.

INDICATE YOUR SELECTION BY SIGNING IN THE APPROPRIATE BOX BELOW.

## BASIC ALLOWANCE:

The Basic Allowance pays you the largest possible amount of money each month until your death. All monthly payments stop at your death, including beneficiary health coverage for state employees. After your death, your beneficiary or estate will receive one payment if your death occurs on the 16<sup>th</sup> of the month or later.

SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_

## OPTION 1:

Provides a lower monthly benefit than the Basic Allowance, but guarantees monthly payments that equal the total of your retirement benefit's Present Value. The Present Value of your benefit is figured at the time of your retirement. If you die before receiving monthly payments that add up to the Present Value, the remaining payments will be paid in a lump sum to your designated beneficiary or beneficiaries who remain alive. For state employees: Option 1 does not provide for continued beneficiary health coverage after your death.

SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_

## OPTION 2:

Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death the same monthly benefit will continue to be paid to your surviving beneficiary for his or her lifetime. No further payments will be made after the deaths of you and your beneficiary. If you choose this option, you must send proof of your beneficiary's date of birth with this application. Retirees electing Option 2 cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is the retiree's spouse or disabled child.

SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_

## OPTION 3:

Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death one half of the monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. No further payments will be made after the deaths of you and your beneficiary. If you choose this option, you must send proof of your beneficiary's date of birth with this application.

SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_

## OPTION 4:

Provides a lower monthly benefit than the Basic Allowance, but Guarantees the return of your accumulated contributions and interest as established when you retire. If you die before you have recovered the full amount of your accumulated contributions and interest, the remainder will be paid in a lump sum to your designated beneficiary or beneficiaries who remain alive. For state employees: Option 4 does not provide for continued beneficiary health coverage after your death.

SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_

## OPTION 5:

Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death the same monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. It also provides that your monthly benefit will "pop-up" to the Basic Allowance for your lifetime the month following the death of your beneficiary if your beneficiary dies before you. If your original beneficiary dies and you are collecting the Basic Allowance and decide to name a new beneficiary, your benefit will be recalculated under Option 5 based on the new beneficiary designation. If you choose this option, you must send proof of your beneficiary's date of birth with this application. Retirees electing Option 5 cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is the retiree's spouse or disabled child.

SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_

## OPTION 6:

Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death one half of the monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. It also provides that your monthly benefit will "pop-up" to the Basic Allowance for your lifetime the month following the death of your beneficiary if your beneficiary dies before you. If your original beneficiary dies and you are collecting the Basic Allowance and decide to name a new beneficiary, your benefit will be recalculated under Option 6 based on the new beneficiary designation. If you choose this option, you must send proof of your beneficiary's date of birth with this application.
