ADMINISTRATIVE COMMITTEE MEETING SUMMARY DECEMBER 6, 2022

Finance Reports – Quarter Ending 09/30/22 Mr. Lewis presented to the Committee the Administrative Expense Report Dashboard, which provided an overview of the how the Agency expended or encumbered 22.04% of its FY2023 appropriation through the first quarter.

APPROPRIATION EXPENDED/ENCUMBERED	22.04%
REGULAR SALARIES	21.46%
CONTRACTUAL PAYROLL AND TECHNICAL SUPPORT	12.58%
COMMUNICATIONS (INCLUDES POSTAGE)	56.18%
TRAVEL	14.37%
VEHICLE COSTS	18.13%
CONTRACTUAL SERVICES

RENT AND INSURANCE	41.49%
DUES, SUBSCRIPTIONS AND LICENSES	7.64%

Mr. Lewis reported that the first quarter expense schedule projects a year-end surplus of approximately \$186k; however, the current year salary forecast suggests a year-end healthcare reversion amount that will reduce the above by \$133k. In addition, there is a pending unknown budget amendment amount anticipated to happen in January, which represents a 4.5% pay raise for regular State employees granted by the outgoing Administration.

Mr. Lewis presented the MBE Performance Report for the quarter ending September 30, 2022. The report showed that the MBE performance was 60.92%.

Mr. Lewis reported that the agency processed six (6) purchase orders totaling \$311,022 during the first quarter. Two (2) of those purchase orders contributed \$203,280 in MBE participation dollars for the quarter. Mr. Lewis reported that a data entry contract, which is now reported in the first quarter, helped contribute to the participation percentage.

Employee Engagement

Mr. Noven shared a copy of the 2022 MSRA Employee Engagement Survey that s scheduled for release on December 9th.

Mr. Noven explained that a similar survey was released last year to set a baseline for the Agency and enable staff to evaluate the effectiveness of the Agency's efforts to improve employee engagement. Mr. Noven summarized the feedback that staff received from the first survey and the efforts that have been made to address that feedback. Mr. Noven reported that the results of this year's survey will be shared with the Committee.

ADMINISTRATIVE COMMITTEE MEETING SUMMARY DECEMBER 6, 2022

Mr. Reott reported that the call summary section of the report reflects that the unit was offered 45,798 calls fiscal-year-to-date, which is a 4.5% increase in calls over the same period last year. The topic driving the increase in calls is refunds. Mr. Reott reminded the Committee that the new IRS tax withholding forms go into effect January 31, 2023. He commented that this topic will also generate an increase in call volume.

Mr. Reott reported that the correspondence section of the report reflects that the unit received 8,378 pieces of correspondence since the beginning of the fiscal year, with more correspondence being generated electronically than by regular mail.

Mr. Reott reported that the staffing section of the report shows one vacancy and two positions in training, one with a "graduation" that was completed in November and the other with an expected "graduation" date in January. Mr. Reott reported that interviews are in process for the vacancy.

Correction of Errors – Offset of Retirement Benefits The Administrative Committee approved the offset of retirement benefits schedule, as presented. The approved report was provided to the Board of Trustees via the Board portal.
