**Implementation of the 2008 Divestiture from Iran and Sudan Act**  
**(Annotated Code of Maryland, State Personnel and Pensions Article, § 21-123.1)**  
**As of October 1, 2023**

The 2008 Divestiture from Iran and Sudan Act (the “Act”) requires the Board of Trustees of the Maryland State Retirement and Pension System (the “Retirement System”) to submit semi-annual reports to the Senate Budget and Taxation and House Appropriations Committees as well as the Joint Committee on Pensions regarding the Retirement System’s implementation of the Act, which is codified at SPP § 21-123.1 of the Annotated Code of Maryland.

The Act requires that the Board of Trustees of the Retirement System (the “Board of Trustees”) review its investments to determine “the extent to which funds in eligible accounts are invested in companies doing business in Iran or Sudan.” An “eligible account” is an actively managed separate account. The Act states that the Board of Trustees shall divest itself of any company doing business in Iran or Sudan, or in any security issued by Iran or Sudan, and may not make any new investments in any company that is doing business in Iran or Sudan; provided, however, that the Act does not require the Board of Trustees to take action unless the Board of Trustees determines, in good faith, that the action is consistent with the fiduciary responsibilities of the Board of Trustees as described in the State pension article.

This is the required semi-annual report for the period commencing April 1, 2023 and ending September 30, 2023 (the “Reporting Period”), and includes the following:

- 1) A summary of correspondence with companies engaged by the Board of Trustees during the Reporting Period;
- 2) All divestment actions taken by the Board of Trustees in accordance with the Act during the Reporting Period;
- 3) A list of companies doing business in Iran or Sudan which the Board of Trustees has determined during the Reporting Period to be ineligible for investments of net new funds under the terms of the Act; and
- 4) Other developments relevant to investment in companies doing business in Iran or Sudan.

**1. A summary of correspondence with companies engaged by the Board of Trustees during the Reporting Period.**

The Retirement System has engaged MSCI ESG Research Inc. (“MSCI ESG”) to periodically provide a list of companies doing business in Iran and/or Sudan (“Focus List”), and to manage the engagement process for the Retirement System. MSCI ESG provided a Focus List dated as of July 1, 2023.

As of the end of the Reporting Period, the Retirement System has engaged with one (1) new company, PERSEUS MINING LIMITED, regarding divestment as it was added to the MSCI focus list as doing business in Iran or Sudan.

**2. All divestment actions taken by the Board of Trustees during the Reporting Period.**

During the Reporting Period, the Board of Trustees added the following company to the list of restricted securities:

1. PERSEUS MINING LIMITED

**3. Companies doing business in Iran or Sudan, which the Board of Trustees has determined during the Reporting Period to be ineligible for investments of net new funds under the terms of the Act.**

At its meeting on September 19, 2023, the Board of Trustees determined that the following 33 companies are not eligible for investment and directed that managers of eligible accounts be notified of the restriction.
